ANC 3C Resolution 2012-029

Regarding a BZA Special Exception Application (#18480) for 2926 Newark Street, NW

WHEREAS the house at 2926 Newark St. is a semi-detached house in a R-1-B zone, which requires 2 side yards; and

WHEREAS the width of the lot at 2926 Newark is narrow and the house is 18.6' wide with an existing lot occupancy of 45.5%, whereas the by right maximum in R-1-B is 40%; and

WHEREAS the existing rear yard allowance is also less than the required 25'; and

WHEREAS the applicant is seeking to rebuild and expand a deck, which would bring lot occupancy to 50%, which is the maximum allowed under a Special Exception; and

WHEREAS the affected neighbors have written letters expressing that they have no objections to the proposed project:

THEREFORE, BE IT RESOLVED that ANC 3C has no objection to the proposal since the light and air and privacy of the surrounding neighbors will not be adversely affected by the construction of the decks;

BE IT FURTHER RESOLVED that the Commission authorizes the Chair and Commissioner MacWood (ANC 3C09) to represent ANC 3C on this matter.

Attested by

Victor Silveira
Chair, on December 17, 2012

This resolution was approved by a roll-call vote of 8-0 on December 17, 2012 at a scheduled and noticed public meeting of ANC 3C at which a quorum (a minimum of 5 of 9 commissioners) was present.
