**ANC 3C Resolution 2013-037**  
**Regarding DCRA Permitting Procedures**

WHEREAS the Department of Consumer and Regulatory Affairs (“DCRA”) is responsible for securing permit evaluations from the Historic Preservation Office (“HPO”) when building is proposed in historic districts prior to the issuance of permits; and

WHEREAS DCRA did not notify HPO of the existence of a building permit application for 3803 Macomb St., which is in the Cleveland Park Historic District and part of the Tregaron historic landmark, and issued permits without any guidance from HPO or notification to ANC 3C; and

WHEREAS the issued permits allowed building and landscaping that violated Historic Preservation Review Board decisions regarding this property:

Be It Resolved that ANC 3C requests an explanation from the Director of DCRA as to whether there are adequate procedures in the permitting office to ensure the involvement of HPO on applications in historic districts, and if there are, how the permits issued for 3038 Macomb St. did not follow that procedure;

Be It Resolved that the Chair and the SMD 09 Commissioner are authorized to represent the commission on this matter.
