ANC 3C Resolution 2013-046

Regarding HPRB Application for 3545 Porter St NW

WHEREAS, the owner of a residence at 3545 Porter Street NW, a house within the Cleveland Park Historic District, has filed for concept review at the DC Historic Preservation Review Board (“HPRB”); and

WHEREAS, the proposal includes major interior and exterior renovation, new construction, replacement and creation of new windows in the house, as well as additional roof height to accommodate the addition.

THEREFORE BE IT RESOLVED that ANC 3C is concerned about proposed changes in roof height on the addition, which would be visible from Porter Street, and would violate the standard that new roof structures maintain a subsidiary aspect to original roof with a lower roof height; and

BE IT RESOLVED that ANC 3C urges HPRB to explore alternatives to retaining as much of the original character of the house as possible, and

BE IT RESOLVED that the Chair and the Commissioner for ANC3C05 or their designee are authorized to represent the commission on this matter.
