ANC 3C Resolution 2014-003

Regarding DDOT Proposal on Moving the Bus Stops at Wisconsin Avenue, NW and Fulton Street, NW

WHEREAS Advisory Neighborhood Commission 3C (ANC3C) has previously passed Resolution-2006-068 (see attached and [hyperlinked](#)) in support of the moving the bus stops located on Wisconsin Avenue, NW at its intersection with Fulton St, NW one block north to the intersection of Wisconsin and Garfield Streets NW, and

WHEREAS the intersection at Wisconsin Ave and Fulton Street does not have a signal, does not meet warrant analysis for a signal, and therefore presents a risk to pedestrians attempting to cross Wisconsin Avenue to reach the bus stops, and

WHEREAS the intersection of Garfield and Wisconsin Ave is a signalized intersection and thus provides a significant degree of protection to pedestrians attempting to cross Wisconsin Avenue, and

WHEREAS moving the bus stops to this location will not result in a decrease in street parking, and

WHEREAS ANC3C supports in principle the concept of moving bus stops on multilane arterial roads to signalized intersections whenever feasible in order to improve pedestrian safety.

BE IT THEREFORE RESOLVED that ANC3C reaffirms support of the proposal to move the bus stops on both sides of Wisconsin Avenue, NW at its intersection with Fulton Street one block North to the signalized intersection at Wisconsin Ave and Garfield Street, NW, and

BE IT FURTHER RESOLVED that the Commissioner of ANC3C08, the Chair, or their designee is authorized to represent the Commission on this issue.

ANC3C RESOLUTION NO. 2006-068

On Moving the Bus Stops at Wisconsin and Fulton

WHEREAS the District Department of Transportation (DDoT) has asked Advisory Neighborhood Commission 3C (ANC3C) to consider DDoT's proposal to move the bus stops located on Wisconsin Avenue, NW at its intersection with Fulton Street, NW one block north to the intersection of Wisconsin Avenue and Garfield Street, NW, and

WHEREAS the intersection at Wisconsin Avenue and Fulton Street does not have a signal and therefore presents an obstacle to pedestrians attempting to cross Wisconsin Avenue to reach the bus stops, and

WHEREAS the intersection of Garfield and Wisconsin Avenue is a signalized intersection and thus provides substantially more protection to pedestrians attempting to cross Wisconsin Avenue, and

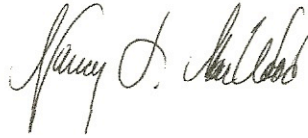

WHEREAS DDoT reports that there have been 13 vehicular accidents at the intersection of Wisconsin Avenue and Fulton Street, NW across the past 3 years and one elderly resident of 2800 Wisconsin Avenue was struck and injured by a vehicle at that intersection, and

WHEREAS a community meeting was held by ANC3C to solicit feedback from affected residents and support was expressed for the proposal and no objection was voiced to this proposal and the Traffic Committee of the Massachusetts Avenue Heights Neighborhood Association(MAHCA) supports this proposal; and

NOW THEREFORE BE IT RESOLVED

1. That, ANC3C supports DDoT's proposal to move the bus stops on both sides of Wisconsin Avenue, NW at its intersection with Fulton Street one block North to the signalized intersection at Wisconsin Avenue and Garfield Street, NW, and
2. That the Commissioner of ANC3C08 and the Chair of ANC3 or her designee are authorized to represent the ANC on this matter.
