ANC 3C Resolution 2014-019
Regarding DDOT PS Application for Barcelona Cathedral LLC,
3310 Wisconsin Avenue NW

Whereas, Barcelona Cathedral, LLC has applied for a public space permit to create a sidewalk café at 3310 Wisconsin Avenue, NW; and

Whereas, Barcelona Cathedral proposes to install banquettes with 13 tables for a total seating capacity for 26 persons; and

Whereas, Barcelona Cathedral proposes to extend the sidewalk café approximately 12 feet from the building and fence the area with 5' by 12" planters, which will increase the occupation of public space to approximately 13 feet, as measured from its building; and

Whereas, Barcelona Cathedral has not provided plans showing the depth of the remaining public sidewalk open for pedestrians; and

Whereas, there is an adjoining restaurant and sidewalk café, Cactus Cantina, which also is enclosed with a removal fence:

Be It Resolved that Advisory Neighborhood Commission 3C ("ANC 3C") wants to retain a consistent depth of open sidewalk adjoining sidewalk cafes on Wisconsin Avenue in Cathedral Heights in order to promote safety and walkability; and

Be It Resolved that ANC 3C finds the open sidewalk in front of Cactus Cantina is 14' 7" from the curb to the bollards supporting the fencing around the restaurant, and that this is the minimum depth of sidewalk that should be provided in front of Barcelona Cathedral's sidewalk café; and

Be It Resolved that ANC 3C has no objection to the proposed number of tables or seats at the proposed sidewalk café as long as a consistent depth of open sidewalk is retained; and

Be It Resolved that any structures placed in public space at this location should be temporary and easily removed within 24 hours, if necessary; and

Be It Resolved that the Chair and Commissioner 3C07 are authorized to represent the commission on this matter.
